**Candidate's Statement and Goals for Office:**

If elected as GVPSA, I would like to increase collegiate chapter attendance at LDS and Grand Council. LDS is an event no other fraternity offers. The knowledge gained about yourself from this experience can change how you view the world. Grand Council provides a chance to meet Brothers from across the country and help decide the direction our organization will take in the future.

We are growing as a fraternity and I would love to help us become even larger. Our brotherhood is being recognized by students from across the country as providing a unique niche for pharmacy students. Our bond is not just while you are at your chosen school, but extends into your alumni professional life as well. Phi Dex Brothers truly live up to our motto "Each needs the help of the other."

My goals for office would be:

- 1) 100% participation in the Achievement Awards Program (AAP)
- 2) 100% participation at Regionals, LDS and Grand Council
- 3) All chapters obtaining a 100% trophy in the AAP
- 4) Making the judges decision very hard in the Thurston Cup judging by getting more chapters to perform quality events and accurate reporting
- 5) Helping the Regional Correspondents become centers of knowledge for their chapters
- 6) Representing Phi Dex at other pharmacy organization meetings (APhA, ASHP, etc)
- 7) Assisting local chapters in the AAP and other areas as needed
- 8) Representing the student perspective to the Executive Board
